

PROGETTO ZATTERA BLU - is urgently looking for an evs GERMAN candidate.

Title of the project: V.I.P. Very Inclusive People

Reference Number of the project: 2014-3-IT03-KA105-004394

Period: 07 Oct 2015 (10 months)

Description of the organization

Adelante is a social cooperative, founded in 2003 in Bassano del Grappa (VI).

Its main aims are the design and realization of social and educational activities for children and young people, with particular attention to minors in social distress. The values that guide our actions are peace, social justice, appreciation of diversity as a resource, solidarity and the centrality of human beings.

Our activities are primarily directed to children, young people and their families (a total of about 1000 people).

For the realization of educational activities can be of great support young volunteers of the European Voluntary Service, providing a stimulus, a new point of view, intercultural people who do not often have had no chance to get in touch with young people other cultures.
